This is petition against judgment dated 17.1.2007 passed by Civil Judge(Jr.Divn.), Chandigarh whereby appeal filed by the defendants, now petitioners against an order of the trial Court dated 20.12.2005 was dismissed.

It comes out that plaintiff, now respondents had filed a suit for specific performance for agreement of sale dated 2.6.2005. With that suit, an application U/o 39 Rule 1 & 2 CPC was filed for restraining the defendants from interfering in the peaceful possession of the plaintiff of the suit property. That application was allowed and an appeal filed by the defendants, now petitioners was dismissed.

There are concurrent orders of two courts below. I do not find any good ground to interfere at this stage. However, I find that suit had been filed in the year 2005. It will be appropriate that the trial court hold expeditious trial and dispose of the case expeditiously.

This petition is disposed of with the observation that let the trial Court give short adjournments and make all out efforts to dispose of the case within a period of six months from the next date fixed by the trial Court.
